Theoretical Grammar School,
established in 1593

Classes 0 - 12

Two buildings

classes

- **Classes 0 - 12**
0 means a preparatory class
- **From the preparatory class to class 8**, there is one class per year/promotion.
- **From class 9 onwards**, there are 5 parallel classes in each year:
 - a Mathematics and Computer Science class
 - an Intensive English and Natural Sciences class
 - a pure Natural Sciences class
 - a Philology and Bilingual class
 - a class with a focus on Roman Catholic Theology
- **The school also offers training to become a nurse.**
